

Mayci Breaux Scholarship Application

Thank you for your interest in the Mayci Breaux Scholarship Fund offered by Ochsner Lafayette General Foundation. This scholarship encourages aspiring students to continue their academic career in radiologic technology.

This scholarship was established in memory of Mayci Breaux, a radiologic technology student whose life was taken during the Grand Theatre shooting on July 23, 2015. The scholarship will be awarded to the student(s) who most exemplify Mayci's academic excellence and love for life. Mayci was a softhearted person who put everyone and everything before herself. She knew she wanted to be an ultrasound and radiologic technologist since she was in Junior High School. Her interest in science and anatomy inspired her to achieve academic excellence. Her love for taking care of people, especially babies, was in her heart. Mayci worked very hard to be the best she could be. But, above all, her love of family, friends, classmates, and her radiologic technology teachers, was her guiding light. All in all, Mayci was one of a kind.

Now the question is, are you a one-of-a-kind? Are you a dedicated student deserving of this scholarship? If so, then please follow these instructions and submit your application.

Applications for the 2021-2022 award year are due Wednesday, August 18, 2021, by 5 p.m. The expected award date is September 9, 2021, and public announcement of the winner(s) will be made September 25, 2021. Applications are reviewed once all supporting documents are received. Please direct any questions about the Mayci Breaux Scholarship Fund application process to Nancy Broadhurst, Executive Director, Ochsner Lafayette General Foundation, 337-571-0080 or email Foundation@lgh.org.

Please note that scholarship payments to selected recipients will be made directly to the school.

Mayci Breaux Scholarship Application

Eligibility

Connect to Purpose Essay

At Ochsner Lafayette General (OLG), we, much like Mayci and her family, believe in being servant leaders to our entire community – our patients, partners, and employees. OLG’s mission is, To Restore, Maintain and Improve Health. The Foundation’s role is to find and connect people to our resources, and our hearts. The Mayci Breaux Scholarship Fund specifically allows the Foundation, on behalf of Mayci’s family, to award scholarships to deserving students seeking to continue their academic career in radiologic technology. More importantly, we seek to keep Mayci’s spirit, one of light, love, hope and excellence, alive.

Essay Question (1500 Words Or Less)

Briefly explain why you are choosing a career path in radiologic technology. How do you exemplify the characteristics and attributes of Mayci? Please include a copy of your essay with this application.
